

A Woman Named Tsubomi Started Her Journey. She was Training with A Charizard Nicknamed Chorobi. One Day, Tsubomi Looked at a Nidoran That was About to Be Eaten by an Arbok. She Tried to Save It by Catching the Arbok but Fails. Tsubomi Watches as The Arbok Swallows It.

"I May of Failed Saving that Cute Nidoran Maybe Chorobi will Force You to Spit It Out! Watch and Learn! Arboks Eat Nidorans So Charizards Eat Arboks! The Food Chain is Serious and Can Not Be Reversed!"

Tsubomi Calls Out Chorobi to Defeat the Arbok that Ate the Nidoran. He was Able to Swallow the Head of the Arbok but As Soon as He Tried to Swallow the Rest of It, Arbok Bit His Tongue Forcing Him to Give Up Eating Arbok. Arbok Coils Up Chorobi and Tries to Swallow Him but Chorobi Flamethrowers at Its Face Forcing Arbok to Let Him Go. Tsubomi Said "Go, Chorobi! Eat That Arbok and Save That Nidoran!"

Chorobi Bites the Arbok as It Bites Him in the Eye. Since He was Poisoned, Tsubomi Decided to Heal Him from His Poison to Continue Fighting That Arbok. He Decides to Grab It with His Tail and Bashes It's Head into a Tree. Chorobi Spins Arbok Until It Regurgitates Nidoran, Which Falls into Tsubomi's Arms. "Glad You are Saved, Little Nidoran!" Said Tsubomi "Chorobi is a Strong Charizard, Even if He is Elder. But you're Safe with Me!"

Nidoran and Tsubomi Watch as Chorobi Swallows Arbok. She Said "I was Right! The Food Chain Can't Be Reversed! What a Stupid Arbok! It's Now Food to a Charizard!" Chorobi Falls Asleep While Digesting the Arbok. Tsubomi Said "Keep that Arbok In Because It Might Try to Eat that Nidoran!" Chorobi Agrees and Keeps the Arbok In as It Struggles. Tsubomi Rubs His Belly to Digest the Arbok Quicker.

Later, Chorobi Wakes Up to See That He Digested the Arbok. Tsubomi and Nidoran Sees Chorobi Digested The Arbok as Well. "Great Job, Chorobi" Said Tsubomi "You're Smart Enough to Remember! Now Go Head to Poop Out the Remains of the Arbok Out!"

Chorobi Thumbs Up Before Flying Away to Crap Out the Remains of Arbok. While Waiting for Him, Tsubomi Said "Charizards Do Eat Arboks! What Do You Know? I Love Chorobi More" as She Pets Nidoran. As Soon as Chorobi Comes Back, Tsubomi Runs to Him as She Said "Thanks for Saving the Nidoran, Chorobi, I Knew You Were a Nice Charizard" Chorobi Hugs Her and Nidoran. Tsubomi Said "Your the Best Chorobi" as They All Hug Eachother.
