

Guillotina's Muddy Snack

By SwagBigBelly

“Welp we’ve arrived” I say as I drop my pants to the floor. Guillotina follows behind me and grabs one of my butt cheeks. I jump and look at Guillotina while blushing. “Nice ass dipshit” she says before picking me up and carrying me to the Mud Bath. She then drops me on the edge of it as she drops her apron she wears usually to the ground.

“This mud looks nice and smooth, just like you” she says before hopping into the Mud Bath. Her foot enters and disappears, then as her fat leg gets in she hops in the other one. Before long her wet pussy sinks into the mud, then her belly, then her arms, chest, and then finally her head.

I stare into the mud trying to see if I can spot her. I then see a lump in the mud slowly rising, I then see a pair of eyes. Before suddenly a hand comes out of the mud and grabs my leg and drags me into the mud. Suddenly everything turns black and I feel like I’m floating. I then try to swim to the top where I emerge gasping for air.

“Well look at you cute, I see you finally decided to join me” Guillotina says while leaning up against the side of the bath and completely covered in mud. You can’t even see a single piece of hair or skin on her body. I walk over next to her and try to sit down on the seat that’s in the mud, but she grabs hold of me and forces me to sit between her legs.

I feel her belly pushing up against my back and her legs squeezing my thighs. I look up at her and see that she has her head back and eyes shut. I can feel myself becoming erect as I am extremely turned on. Covered in mud and got my Fat Cunt of a Wife trapping me in the most sensual position.

I drag my hand towards my crotch through the mud as I feel the force of the thick muds weight down upon my hands and cock. I first start slowly squeezing my cock as a form of solo foreplay before pulling back my foreskin. I then push my foreskin forward and then back repeatedly. Notice the mud is acting as a sort of thick lubricant.

I can feel the mud going under my foreskin as I jerk off, that’s how thick the mud is. I do this for a solid 3 minutes before suddenly I feel something begin to poke at my butt. I then feel my anal walls stretching as I feel like a long ten enters my mine shaft, “Ngh mmm” I moan as I look up at Guillotina and see her looking down at me.

“U like my muddy claws in your butt don’t u sexy” she says as she starts to wiggle and claw at my insides. I then feel the rest of her giant watermelon size finger slowly stretch me before she can go no further. “Nya mm mam Pls” I whimper barely being able to contain my pleasure and lust for her.

“Say the magic word” she says with evil tone and smile. I lift my head and stick my tongue out as I spurt out “Pls tina! Eat me gnm mah”. She looks at me and narrows her eyes as her smile grows “Say it again and show me how much you want it”. She begins putting her second claw into my ass as I shout, “I WANT YOU TO EAT ME LIKE THE LITTLE BITCH I AM!”. Her smile grows into a massive grin “Your wish is granted”.

I then feel her hand pull out of my ass as I lean forward into the mud with pleasure. She flips me over and her tongue begins to creep from her mouth. It worms its way down and then onto my muddy belly. It then moves downward before wrapping around my cock. The tongue starts jerking my muddy penis as her head moves lower to towards the mud.

I feel her hands grab my feet and rise it to just below the surface. Her face disappears into the mud as I feel her mouth rap around my feet. Her face then reappears out of the mud and my feet are now in her mouth. I then see her lips guide my legs deeper into her throat as I feel her uvula in the back of her mouth touch me. Her tongue then let's go of my cock and moves inside of her mouth.

At this point she is up to my waist and could easily suck me in like a noodle. But instead, I feel something special, her tongue licks my asshole and balls before entering violently into my intestines. “MMMNNYAH” I moan as I feel her wiggling around, she gets deeper into my intestines as she wiggles her whole tongue back and forth. Each time she goes deeper she pulls back a little before thrusting even further into my slimy cave.

I then feel something unique. I feel her tongue enter my stomach; she had managed to crawl her entire tongue through the length of my intestines and penetrate my stomach. If this wasn't love, then I don't know what is. She then carefully pulls her tongue out of my stomach and back through my intestines before exiting through my asshole.

My asshole gaps so wide that mud starts filling my intestines. I then feel her sucking my body like a noodle into her throat along with a lot of mud. Her Uvula is right in front me, I know that Guillotina has no gag reflex due to how much she swallows stuff so I decide that I'm going to give her Uvula a blowjob. “Wait I want to suck on your Uvula” I say to her and she gladly holds her throat as I shove her Uvula into my mouth.

I suck on it as I get a ton of the brown thick mud in my mouth. I lick it with it inside my mouth and I suck on it like a lollipop. I then start jerking off in her throat as I do this. I then feel the walls of her throat rub against my cock as she rubs her fingers against her throat to help me cum. “That's it, your doing so well” She says to while I eventually come close climaxing. “Cum for me precious, cum in my throat and let me swallow” Tina rubs harder as I jerk off faster.

I then feel a surge running through me “I'm c-cumming nyah!” I then cum onto the walls of her throat as I suck real hard on her uvula. “Good boy, you did so well, but now its time for me to finish my meal” She says as she scoops up a big load of mud into her

mouth before taking a big gulp. Her throat bends bulges as I sink down into the slippery depths. I eventually reach her stomach as a ton of mud pours on top of me.

“Now sleep, I’ll let you out in a couple hrs, just gotta finish my bath.” She says as she leans onto the side of the Bath. Now I rest in the stomach of my fat hungry lover know that I am safe as long as I am with her.

The End
