

Jay is a student attending David Weston High School. He is what some consider a “femboy.” He is biologically male, but he has very feminine features. One such is his, quite frankly, large ass. It was easily one of, if not the largest in the school. Though that doesn’t mean his manhood is missing, far from it. When flaccid, it hangs 10” and when erect it sticks out to a whopping 14”. Jay is also a bully and often gets into trouble from unusual situations. How unusual? Very is the answer as Jay has many techniques for torturing others and pleasuring himself. One time, Jay noticed a classmate staring at his ass, so he smothered him with it until he nearly passed out. Whispers and murmurs go around to those who transfer to the school to watch out for Jay and never get on his bad side. It was the beginning of the school year and a new student had transferred over from across the state. His name was Butcham, but was often referred to as “Butch.” Butch was sitting with some other students, learning what he can from the locals. He was listening until he noticed Jay and ask about the peculiar person. “Oh, that’s Jay, the bully. I’d steer clear if I were you.” Now, something to know about Butch is that, Butch had yet to taste fear and was stupidly foolhardy, which was why what happened next sealed his fate.

He smirked and said to one of the students, “Yeah? Watch this.” He got up, ran up to Jay’s behind, and slapped his ass with full force. The sound was quite audible, as the lunchroom went silent. Jay dropped his tray from surprise and turned around to see who dared slap his ass. He turned and saw Butch, smiling with a shit eating grin. Jay was about to throw a punch, when a monitor stepped in and sent them both to principal Burrow’s office. Now, despite being called “Mr.” Burrows, the principal at David Weston High was near indistinguishable from a woman. He had a slender figure with platinum blonde hair that reached to the ground, as well as green eyes that shimmer. Mr. Burrows was known for being rather lenient on punishments. So, when Butch and Jay came down after the lunchroom scuffle, their punishment was to spend five minutes helping Mr. Morris, the vice principal, before being able to leave. Butch found it all boring, but also thought that it was worth it in the end. Soon, word had spread around the school like wildfire. Butch was proclaimed as a folk hero for having such defiance to Jay. Jay did not like being belittled, especially by some half-brained jock. So, he came up with a plan to end Butch’s herosim. Usually, at 2:15, Butch goes to the restroom and does his business. Jay knew this, and decided to take action. One day, Butch went to the restroom to do his business. He had entered into the biggest stall and proceeded with business. That was, until the stall door was kicked in by Jay.

“Did I catch you with your pants down?” he asked in a coy tone of voice. Butch was frozen with fear, as Jay approached him slowly. “Y’know,” said Jay as he was taking off his pants, “If you wanted to touch my ass, you could have asked.” The jock just sat and stared at the femboy, out of both fear and confusion. Then, Jay turned around and jumped right onto Butch. Jay cackled as Butch tried to get free, but it did no good. The bully’s ass had already engulfed Butch’s upper body. Bit by bit, Butch’s body went further and further until he was all the way inside. Now with the jock inside of him, Jay sat down onto the toilet and let his gut, which was now very disjointed, do its job. He sat there for around two hours until he felt pressure in his bowels.

\*PPPPPPFFFFRRRT\*

Noxious gas erupted from Jay’s pucker as he started to release the remains of Butch. Soon, a log poked through and started to leave the femboy’s fat ass. The log continued to come out, it coiled around the toilet bowl as Jay pushed as hard as he could. Two minutes had passed when Jay had squeezed out Butch’s remains into the toilet. The femboy smirked as he took out his phone to take a picture of his “collateral damage.” He pressed the button on the toilet and let the powerful toilet do its work. When he got home, he uploaded the picture to twitter with the caption; “He wanted my ass *that* badly. So, I let him into it, lol.” After that, any new transfers who came in were told the story of Butch, who fell at the hands, or cheeks, of the femboy bully’s ass.
