Creator's Comments

- Strictly pred unless you give me a good enough reason to let her be used as a prey
 - Will always gain weight from prey
- Has no reproductive organs, had them removed due to being asexual. (And I know what your thinking, think Family Guy: Road to the Multiverse episode)
 - He is for use for weight gain, vore, stuffing, and height growth only.
- If you wish to use them please send me a note with your idea for approval
- Any story that features only either Blair or Cal, the other will get their own version as well.
