

Richard and Rachel had invited their futa friend, Samantha, over for dinner. Little did Rachel know, that would be her last mistake.

As Richard worked on the cooking, headphones sealed over his ears, Rachel and Samantha chatted at the table. What Rachel didn't notice was that her friend was taking off her pants, bringing her cock out, and inching her member closer. Once she was close enough, Samantha struck.

/SLURP!/ Rachel's legs were suddenly sucked into Samantha's dick, and the woman found herself being pulled forward. Upon looking under the table, she saw what was happening, and screamed in terror. "Richard!" she yelled. "Help me—AH!"

Richard, thanks to his headphones, heard nothing as his wife was devoured by Samantha's hungry cock. Samantha smirked and sucked more and more of Rachel inside. As she was devoured, Rachel tried yelling some more to get her husband's attention, but he didn't turn around. Soon, all of her slid down Samantha's cock, and landed in her friend's churning ball sac.

Richard turned around and put food on the table. "Where's Rachel?" he asked innocently.

"Oh, she had to go pick up some things," Samantha lied eloquently, smiling. She would swallow him down next. . .
