

You walk into the Special Tastes brothel, looking around at the strange surroundings. To your left, you can see a tiny fox in bondage, all tied up with shibari. A gazelle in a latex dress looms over him, smirking. Then, she leans down, placing her privates over the fox, and sucks him up into her vulva. The fox cries out in surprise as her pussy engulfs him, but he is soon sucked up her vagina.

“Like what you see?” the gazelle asks, turning to you with a smile. “Because if you do, I can send you to my womb next. . .”
