

“Mmm, you’re looking tasty tonight. . .”

The Gambler licks his lips. The deer demigod is clearly enjoying himself quite a bit. “Now, let’s send you down the hatch~!”

He opens his maw wide and shoved your head inside. His tongue greets you with eager licks, and a loud, “Mmmmm!” echoes through The Gambler’s mouth. Then, he swallows, quickly sucking you down his throat in a series of quick gulps.

You soon reach his stomach: the space greets you with a loud grumble, clearly eager to have you inside. The deer swallows you faster, and soon, he sucks in the last bite. A moment later, all of you is curled up inside of his hungry, ravenous belly.

“Goodness, you were quite the tasty treat!” the demigod exclaims, slapping his enlarged gut with a /buuuuurp/. “I can’t wait for all of you to digest~!”

You fall asleep as the stomach churns around you, and soon, you are broken down.
