

Archanis smiled at Hubble. "Come on," he cooed. "Become my prey forever. I want you in my cock."

The blue bee hesitated. "I don't know. . ."

"It will be a lovely experience," the sergal assured him. "Trust me."

Hubble thought for a moment longer, then nodded. "Ok."

"Excellent." Archanis licked his lips. "Let's send you in. Lie down on the bed."

The blue bee did so, and the sergal stripped, walking up to Hubble's feet. He pulled in the bee's legs up his cock with a /SLORP/, and soon, all of him was in Archanis's balls.

"Tasty," Archanis said.

"Thank you," replied Hubble, blushing.

Soon, digestion would come.
